a colorful history of utilitarianism told through the lives and ideas of jeremy bentham john stuart mill and its other founders in the happiness philosophers bart schultz tells the colorful story of the lives and legacies of the founders of utilitarianism one of the most influential yet misunderstood and maligned philosophies of the past two centuries best known for arguing that it is the greatest happiness of the greatest number that is the measure of right and wrong utilitarianism was developed by the radical philosophers critics and social reformers william godwin the husband of mary wollstonecraft and father of mary shelley jeremy bentham john stuart and harriet taylor mill and henry sidgwick together they had a profound influence on nineteenth century reforms in areas ranging from law politics and economics to morals education and women s rights their work transformed life in ways we take for granted today bentham even advocated the decriminalization of same sex acts decades before the cause was taken up by other activists as bertrand russell wrote about bentham in the late 1920s there can be no doubt that nine tenths of the people living in england in the latter part of last century were happier than they would have been if he had never lived yet in part because of its misleading name and the caricatures popularized by figures as varied as dickens marx and foucault utilitarianism is sometimes still dismissed as cold calculating inhuman and simplistic by revealing the fascinating human sides of the remarkable pioneers of utilitarianism the happiness philosophers provides a richer understanding and appreciation of their philosophical and political perspectives one that also helps explain why utilitarianism is experiencing a renaissance today and is again being used to tackle some of the world s most serious problems

modern social contract theory provides an exposition and evaluation of major work in social contract theory from 1950 to the present it locates the central themes of that theory in the intellectual legacy of utilitarianism particularly the problems of defining principles of justice and of showing the grounds of moral obligation it demonstrates how theorists responded in a novel way to the dilemmas articulated in utilitarianism developing in their different approaches a constructivist method in ethics a method that aimed to vindicate a liberal democratic and just political order a distinctive feature of the book is its comparative approach by placing the works of barry buchanan and tullock harsanyi gauthier grice rawls and scanlon alongside one another similarities and differences are brought out most notably in the way in which principles are derived by each author from the contractual construction as well as the extent to which the obligation to adopt those principles can be rationally grounded each theory is placed in its particular intellectual context special attention is paid to the contrasting theories of rationality adopted by the different authors whether that be utility theory or a deliberative conception of rationality with the intention of assessing how far the principles advanced can be justified by reference to the hypothetical choices of rational contracting agents the book concludes with a discussion of some principal objections to the enterprise of contract theory and offers its own programme for the future of that theory taking the form of the empirical method

to a rational being there can be but one rule of conduct justice and one mode of ascertaining that rule the exercise of his understanding godwin s political justice is the founding text of philosophical anarchism written in the immediate aftermath of the french revolution it exemplifies the political optimism felt by many writers and intellectuals godwin drew on enlightenment ideas and his background in religious dissent for the principles of justice utility and the sanctity of individual judgement that drove his powerful critique of all forms of secular and religious authority he predicts the triumph of justice and equality over injustice and of mind over matter and the eventual vanquishing of human frailty and mortality he also foresees the gradual elimination of practices governing property punishment law and marriage and the displacement of politics by an expanded personal morality resulting from reasoned argument and candid discussion political justice raises deep philosophical questions about the nature of our duty to others that remain central to modern debates on ethics and politics this edition reprints the first edition text of 1793 and examines godwin s evolving philosophy in the context of his life and work about the series for over 100 years oxford world s classics has made available the widest range of literature from around the globe each affordable volume reflects oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

how can we continue to support educators who wish to design and facilitate social justice classrooms what knowledge and tools do pre and in service educators need to teach about in equity in justice resilience and agency across the curriculum in k 12 classrooms the new edition of this compelling text synthesizes in one volume historical foundations philosophic theoretical conceptualizations and applications of social justice education in public school classrooms part i details the history of the multicultural movement and the instantiation of public schooling as a social justice project part ii connects theoretical frameworks to social justice curricula parts i and ii are general to all k 12 classrooms part iii provides powerful specific subject area examples of good practice including multilingualism and ethnic studies social justice pedagogy across the curriculum second edition includes highlighted points of inquiry and points of praxis sections that offer recommendations to teachers and researchers and activities resources and suggested readings these features invite teachers at all stages of their careers to reflect on the role of social justice in education particularly as it relates to their particular classrooms schools and communities relevant for any course that addresses history theory or practice of multicultural social justice education and teaching diverse groups of students this text is essential reading for future and practicing teachers to understand and create resources for transformative rigorous and inclusive learning environments that support students from a range of backgrounds

the definitive insider s account of the 2011 case of a florida mother accused of killing her own daughter and the verdict that shocked the nation it was the trial that stunned america on july 5 2011 nearly three years after her initial arrest casey anthony walked away virtually scot free from one of the most sensational murder trials of all time she d been accused of killing her daughter caylee but the trial only left behind more questions was she actually innocent what really happened to caylee was this what justice really

looked like in imperfect justice prosecutor jeff ashton one of the principal players in the case s drama sheds light on those questions and much more telling the behind the scenes story of the investigation the trial and the now infamous verdict complete with never before revealed information about the case and the accused ashton examines what the prosecution got right what they got wrong and why he remains completely convinced of casey anthony s guilt

attempt has been made to include every edition of every british or colonial law report except american reprints page ii

an important collection michael g long deserves high praise indeed for unearthing marshall s letters and bringing them to light wil haygood collected together for the first time in marshalling justice here are selected letters written by one of the most influential and important activists in the american civil rights movement the brilliant legal mind and footsoldier for justice and racial equality thurgood marshall the correspondences of a rebellious young attorney with the national association for the advancement of colored people naacp marshalling justice paints an eye opening portrait of thurgood marshall before he became the first african american to serve on the u s supreme court during his years as a groundbreaking and vibrant civil rights activist in the tradition of martin luther king and julian bond
