school experience is the most significant part of learning to be a teacher it can also be the most confusing stressful and challenging initially it can be very daunting to walk into someone else s classroom and try to prepare and teach effective lessons to someone else s class it helps to have a clear idea of what to expect and to know how other people have coped and in this book denis hayes looks at what life is like for the student teacher in the classroom with plenty of down to earth and practical advice he offers strategies for dealing with challenging situations and positive encouragement to help them succeed the book covers four main areas principles summarises the fundamentals of successful teaching placement provides detailed advice about preparing for and prospering in school placements including case studies of trainee teachers experiences practice looks at practical issues in the

classroom including lesson planning teaching skills assessment and evaluation and managing the classroom environment progress covers applying for jobs and interview strategies with newly qualified teachers talking about how they managed in their first few months this text will be invaluable to anyone training to be a primary teacher and about to embark on his or her teaching experience it will also be a useful resource for teacher mentors and course leaders of bed ba ed and pgce programmes

this guide focuses directly on the aspects of grammar that teachers need to know assuming little or no formal linguistic training this text provides the necessary background knowledge required in the classroom context with chapters on words phrases verbs and clauses

this guide gives an overview of the curriculum arrangements which took effect in august 1995 the book outlines the main changes to the original national curriculum and gives examples of ways to teach the new curriculum together with enquiry tasks to take the teacher forward it also covers each of the subjects of the revised national curriculum locating them within a context of whole curriculum planning looking at issues of differentiation the book explores those additional elements of the curriculum such as cross curricular themes and drama that primary schools will wish to cover

extremely useful intervention programme in the run up to sats sarah clayton primary teacher this grammar punctuation and spelling sats booster teacher s guide gives you everything you need to set up and run a structured 8 12 week booster programme in your school in the run up to the national tests it provides a range of targeted support for children who have not yet grasped key english skills this easy to use programme will keep all of your children on track to succeed the teacher s guide includes 29 booster lessons focused on key topics related to the test designed to fit easily around the school day advice and guidance on setting up a booster programme essential planning and support tools including progression charts curriculum coverage grid a model timetable and more nb this product includes references to the related year 6 workbook isbn 9781407160832 and year 6 tests book isbn 9781407183626
